

July 12, 2021

It is time to kick things up a notch here in Grand Island! Between educational clinics and opening ceremonies, it is sure to be a day filled with excitement!

This week is full of opportunities. From meeting new friends to learning more about the industry and so much more, take advantage of your time here at #NJAS21!

A MESSAGE FROM THE JUNIOR BOARD

Join us at AMP It Up!

Is this your first time at Jr. Nationals? Are you looking to get involved, have fun and meet new people? Look no farther at the AMP IT Up program!

On Sunday and Monday, we will be hosting AMP for new members, current members, young or old to participate in! This is a great way to jump in on some great games, great music and tons a fun! Take a break from sitting in the barn and come join us. Connect with older juniors, and meet some new ones that just may become some life time friends. We cannot wait to see you there!

-Megan Pelan, Foundation Director

NJAS Pro-Tips

A whole week with your #AngusFamily? How could NJAS possibly get better? Here are my three tips to elevate your NJAS experience and make sure you are getting the most out of what our association has to offer.

1. Be involved! I probably sound like a broken record on this one, but being involved can open so many doors you didn't even know were there. Try a new contest, participate in AMP, or attend a clinic to help boost your skills and learn from a professional.
2. Take a step outside of your comfort zone. NJAS is notorious for fostering lifelong friendships, make 2021 the year you meet someone new!
3. Comfort is key! I hope you brought your comfiest shoes because it is gearing up to be a week full of walking.

-Kelsey Vejraska, Communications Director

REMINDERS
