A MESSAGE FROM THE
JUNIOR BOARD

Hello Juniors!

Welcome to this year's National Junior Angus Show! I hope you are as excited to be in the cornhusker state and show Angus cattle as I am. This show would not be what it is without your involvement. I hope that this week will be filled with success as well as joy and fun. Enjoy every second of the coming week because in the blink of an eye this week will be having its final curtain call. I hope you take the opportunity to meet new friends as well as catch up with old ones.

I wish you the grandest time at this year's NJAS!

-Nicholas Pohlman, chairman

Things to do at NJAS

The greatest week of the year, the National Junior Angus Show always provides not only the most competitive cattle show in the country, but activities for everyone involved! Here are just a few things to do while you are at the show this week....

With us being back in person we are thrilled to announce that opening and closing ceremonies and all events are back in person this year! Join us Monday and Friday night for our action packed evening where we will be handing out prizes and awards for our awesome angus juniors!

Contests are back! Last year due to COVID restrictions we were unable to put on some of our favorite contests. But this year, we are back in full swing with all of our contests like the CAB Cook-Off, Quiz Bowl and the Livestock Judging contests, just to name a few. Whether you have participated in these before or this would be your first time, be sure to plug into these contests and others throughout the week!

Finally, let's AMP it up! Last year we continued our revamped AMP program. This year we will be gathering all juniors to not only participate in fun games with the junior board, but to meet new people and build friendships that will last a lifetime! We will be gathering with the juniors for three sessions this week so come to have some fun!

Whether this is your first junior nationals or your last, there's something this week for everybody. No matter how busy and fast this week comes and goes, just remember that these memories and friendships will last you a lifetime. Don't miss out on this wonderful week we have planned because this is truly the Grandest Show yet!

-Justin Wood, leadership director
