NOTE: A small portion of the street between Pavilion 1 and the Veterans Memorial Coliseum (E Expo Mall) will be under construction during the National Junior Angus Show. See gray box outside of Pavilion 1. Because of this the path to the showring will be disruptive. A portion of the parking lot will be flagged off (blue triangle) for cattle to walk to the showring along with outside vendors like Sullivan Supply and Purina.

PARKING: There is a vast amount of parking spaces available at the Alliant Energy Center (red boxes on the map). The parking lots on the north side of the Pavilions will be available AFTER move-in.
